composition, wherein, where water is one of the biodermal constituents, it represents a minor portion by weight of the composition. Claims 31-35 depend from claim 30. The cited references do not teach or suggest a composition containing at least 98% by weight biodermal constituent, where water is only a minor component to the composition.

In view of the foregoing, it is respectfully submitted that this application is in condition for allowance. Favorable reconsideration and prompt allowance of claims 1-3, 5-14, 16, 18-23 and 29-35 are earnestly solicited.

Should the Examiner believe that anything further would be desirable in order to place this application in even better condition for allowance, the Examiner is invited to contact the undersigned at the telephone number set forth below.

Respectfully submitted,
